

August 8-12, 2011
8:00 AM - 12:00 PM / 12:30 PM - 4:30 PM

Thinking of a way to enrich learning for your child this summer while they are having fun? Tri-County is offering an expanded summer camp to explore careers and exercise the mind and body. Programs will provide opportunities for hands on, interactive exploration. Enrollment in each program is limited by space and grade (7&8 only).

cost: 1 camp - \$200.00 2 camps - \$350.00

Camp Descriptions

auto collision (8am - 12pm)

Bring your passion for working on cars to this camp. You will create a vanity plate while learning how the experts overhaul a car's exterior into a fancy ride.

beginning carpentry (8am - 12pm)

Use hand and power tools to design and craft a wooden sign to take home. Use professional machinery and learn construction skills in a real wood shop.

beginning plumbing (12:30pm - 4:30pm)

Use tools of the trade to create a take-home project made from copper fittings and tubing. Campers will become familiar with plumbing technology using hands-on problem solving skills.

cosmetology (8am - 12pm)

All aspects of the beauty industry will be explored as campers participate in activities related to hair, nail and skin care.

cybercamp (8am - 12pm)

Technology is the focus of this camp as participants create a website, build a computer, build a network, and learn the basics of robotics using Legos.

electrical (8am - 12pm)

Campers will learn how electricity works by participating in hands on activities, including how to make a magnet, and how to wire buzzers, lights, motors and switches. Each camper will design and wire a lamp to bring home at the end of the week.

engineering (12:30pm - 4:30pm)

Back by popular demand, campers will experience the many concepts of engineering in a stimulating, entertaining environment that couples learning with competitions.

Registration Information

The attached registration form must be submitted by June 10, 2011 with payment in full, in order to be registered. After receipt of this form with payment, the Vocational Director's Office will send you a complete package of information for your review, with additional forms that must be completed and returned.

Tri-County Regional Vocational Technical High School • 147 Pond Street, Franklin, MA 02038

Full payment must be included with this form in order to be registered. Mail registration to above address. Students in the Tri-County District are given preference in programs. Subject to adequate enrollment. A 50% refund will be given to cancellations prior to the start of camp. No refunds will be given the day of or after.
